

Jenny Wagstaffe

Governor Pen portrait.

I started working at Mablins Lane Community Primary School in April 2012 as Deputy Head teacher. I thoroughly enjoy my job at Mablins Lane and my main priority has always been providing the 'best we can for Mablins Lane children.'

Prior to working at Mablins Lane I spent 7 years as the Head teacher of Astbury St. Mary's CE Primary School. I have been a school governor for the past 16 years in a variety of Church and Community schools. I am currently also a parent governor at my daughter's school in Congleton.

I believe the heart of the school is its community and I am a firm believer in maintaining and developing close links with parents and the wider community. The effectiveness of a school is the results of taking into account the views of teachers, governors, parents and other supporting agencies and then assimilating these into the needs of the school. I believe that it is important for a school to have the confidence of its parents and the wider community it serves.

As a governor at Mablins Lane School I have the responsibility of providing the best possible education and outcomes for all Mablins Lane children.
