

PC 5283 Sarah BROCKLEY

Dear Sir/Madam

During the last few months there has been a spike in incidents reported to us whereby children have been seen on the roof and in the grounds of The Merlin Public House, which is a derelict building on Bradfield Road, Crewe.

The building is currently in an unsafe condition and would pose a risk of injury to anyone who trespasses on the site or climbs on the roof.

Please can you warn parent/guardians and children at your school of the danger of entering/trespassing in derelict buildings, specifically The Merlin.

Yours faithfully

PC 5283 Sarah BROCKLEY
