

Dear Parents,

A warm welcome to EYFS.

The children have settled well and we are currently undertaking Baseline Assessments of your child. We will use this information to plan activities for the children which meet their needs. We have a very busy and enjoyable year ahead of us and we would like to share some information which you will find useful and which will help you support your child during their first year in school.

- Please ensure that all of your child's possessions are named (especially sweatshirts, shoes and P.E. kits). We already have brand new items of uniform that are unclaimed.
- Please send P.E. kit into school in a **SMALL** bag. It is useful to have kit in school all week so that we can take advantage of any good weather.
- Could you remember to fill your child's drink bottle with water rather than juice.
- It would be a great help if you could avoid sending large bags into school. Your child only needs a P.E. bag, a book wallet and a lunch box.
- If your child is absent from school we will need either a note or a phone call, otherwise the absence will be recorded as unauthorised.
- Make sure that your child knows who is to collect them at the end of the day. We tell children that if they can't see that person then they must remain with their class teacher who will make the necessary phone calls.
- We will be sending home reading books from 16.9.16. Please ensure that homework diaries come into school each day and we will change your child's book on a **Monday and a Thursday**.
- Please try to read with your child on a very regular basis, sign the homework diary and make any comments that will encourage your child and help inform their teacher.

If you are able to come into school and help in any way, e.g. reading, cooking, art, please contact the school. We are always on the look out for parent helpers and you would be made very welcome

EYFS Curriculum Slice - Autumn Term

Personal, Social and Emotional Development

- My family
- My home
- My school
- All about me
- What I like to do... My hobbies

Physical Development

- Moving and handling tools and equipment
- Personal hygiene
- My healthy body

Communication and Language

Circle Times:

- Sharing and taking turns
- My friends and me
- Understanding and following a simple set of instructions

Literacy

- Fun with phonics
- Mark making
- Writing through play
- 'I can write my name'
- Sharing books

Mathematics

- Number rhymes and counting songs
- Number recognition
- Number formation
- Number fun through play
- Numbers all around us and where can we find numbers in everyday situations

Understanding the world

- This is my family, who is in my family?
- Starting school
- My own routines
- Where I live

Expressive Arts and Design

- Exploring and experimenting with music and sound
- Exploring a range of different media
- Safety with tools

The topics that we choose in EYFS may often change as we like to work with the children's interests and therefore if a child shares home news about visiting a farm or zoo or somewhere exciting we may decide to begin a topic on this.

It is important that the children play a part in their own learning and education. In each of the three classes we may decide to follow a different topic, therefore your child may sometimes be learning about a different topic to that of their friends in other classes.

We hope that we have answered some of your questions, but if you are unsure or worried about anything, please ask your child's teacher, preferably at the end of the day so that we can give you our time.
