

Welcome to Year 5!

We hope that you've all had a fantastic summer. We have a very busy and enjoyable year ahead of us and we would like to share some information with you which will help you to support your child during this year in school.

- Please send an indoor (dark shorts, plain white t-shirt) PE kit into school in a small bag. It is useful to have the kit in school all week. Children are not allowed to take part in PE wearing jewellery; earrings **must** be removed.
- Please ensure that homework diaries come into school every day so that we can use them to communicate with you if and when the need arises. The children should use the diaries to record and update their weekly homework tasks and any issues that arise. These will be signed by staff weekly.
- Please encourage your child to read on a regular basis. If your child reads three times each week, they will earn a dojo reward and will ultimately improve their reading speed and comprehension (key skills for Y6)
- English Homework will be set on a Friday and needs to be completed and returned to school by the following Tuesday. My maths homework will be set each Friday, to be completed by the following Thursday. Spellings are set weekly in diaries. Please complete homework using a pencil or a pen avoiding felt tips or crayons.

Topic - Geography Based

- Major Mountain ranges and Rivers
- The formation of different Mountain types
- Mountain environments
- River features

Science

- Light

-How we see things

-The function of parts of the eye and how they use light to allow us to see.
