

# English

Story writing

Using Talk for Writing to enhance our story writing skills.

All of our stories will link nicely with our topics.

**Pirates and Victorians**

We have already started 'Pirate Tom'.

# Maths

A large emphasis will be place value  
We will cover addition and subtraction and money.

Within all of these areas we will be looking at problem solving , fluency and reasoning to deepen childrens understanding.

# Computing

We will using Dazzle and Scratch to create Treasure Islands.

We will be familiarising ourselves with the following computing skills; typing, font changing, copy and paste.

# Year Two Autumn Term

# Science

We will be looking at 'forces'.  
Within this topic we will look at 'floating and sinking' where children will get to design and make their very own pirate ships. They will test different materials to discover how to create the best Pirate Ship.

# Art/DT

We have already been busy creating bone necklaces and lots of other Stone Age artwork.  
Next we will be planning and making our very own Treasure Islands.

# RE

We will be familiarising children with the bible and new stories.

We will of course be sharing the Christmas story and doing lovely Art and Drama work around this.

# Topic

Pirates is our first topic and it will have a geography focus  
We will be learning about Continents and Oceans around the world. This will involve researching and field work.
