

Cared For Children Policy 2019

Definition

Cared For or Looked After is a term that refers to children for whom the Local Authority is sharing parental responsibility. This can happen either with parental agreement or when a Court makes a Care Order. The child may be living with foster carers, in a residential unit, with family members or sometimes with their parents. These children are therefore subject to corporate parenting.

Mablins Lane Community School recognises that Looked After Children may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty.

Mablins Lane Community School Commitment to Cared For Children

Nationally, Cared For Children (CFC) significantly underachieve and are at greater risk of exclusion compared with their peers. Their academic and social progress is likely to be affected by their experiences, and compounded by instability in their personal circumstances. Helping CFC succeed and providing a better future for them is a key priority in our school.

We recognise that CFC can experience specific and significant disadvantage within a school setting, and are committed to ensuring they reach their potential in all areas. We are aware that CFC may have specific difficulties in transport and attendance, doing homework, getting parental consent for activities, obtaining funding for extra activities, obtaining correct uniform and equipment, as well as stigma about their circumstances.

Mablins Lane Community School is committed to enhancing the achievement and welfare of Cared For Children in the following ways:

- ❖ Having high expectations for the child and ensuring equal access to a balanced and broadly based education.
- ❖ Recording, monitoring, and improving the academic achievement of the child in addition to their health and wellbeing.
- ❖ Achieving stability and continuity.
- ❖ Prioritising reduction in exclusions and promoting attendance.
- ❖ Promoting inclusion through challenging and changing attitudes.
- ❖ Promoting good communication between all those involved in the child's life and listening to the child.
- ❖ Maintaining and respecting the child's confidentiality wherever possible.
- ❖ Ensuring staff awareness of, and sensitivity to, the difficulties and educational disadvantages of Cared for Children.
- ❖ Ensuring an appropriately trained Designated Teacher is appointed, who will be responsible for all Cared for Children.
- ❖ All CFC will have a Personal Education Plan (PEP) drawn up between the school, the child, and the child's social worker, which will identify the child's individual needs and the support they require.

The Role of the Designated Teacher

The Designated teacher is Mrs. Tracey Dibbens the School Safeguarding Designated Lead / SLT

It is strongly recommended that this person should be a member of the Senior Leadership Team.

Our Designated Teacher will:

- Ensure a welcome and smooth induction for the child and their carer, using the Personal Education Plan to plan for that transition in consultation with the child's social worker
- Ensure that a Personal Education Plan is completed with the child, the social worker, the foster carer and any other relevant people, at least two weeks before the Care Plan reviews.
- Ensure that each Cared for Child has an identified member of staff that they can talk to. This need not be the Designated Teacher, but should be based on the child's own wishes.
