

Mablins Lane Community Primary School Newsletter ~ 28th April 2023

Dear Parents and Children,
Week two and the Easter break seems a distant memory. This week has been Super Science week across the school and we have seen all sorts of amazing scientific wonders. Thankfully no class has managed to blow up the school and everybody has remained safe! Many children have brought in amazing science projects that have been completed at home and we thank parents for their support with this. Celebration assembly this week has been a real scientific treat.

Next week is the first of the Bank Holidays so school will be CLOSED on Monday (1st May). Tuesday 2nd May is the second day of industrial action and the school will be CLOSED to Y2/3/5/6 (please see table below).

Over the week we will be looking forward to the Coronation of King Charles, with the children learning about the ceremony and tradition.

Let's hope that the weather warms up a little and it is warm and sunny!

Thought of the Week

NEU Strike Action

Unfortunately, we are unable to fully open on the second day of action – Tuesday 2nd May. It is the decision of individual teachers whether to take action. As headteacher I have to act on the information that I have been given and ensure that the school is opened safely with the correct level of

cover and supervision. Whilst it may be very inconvenient to parents, teachers are taking action due to the poor level of funding that affects everybody.

Please see the table below for the status of each year group:

Year group	Tuesday 2 nd May
EYFS	OPEN
Y1	OPEN
Y2	CLOSED
Y3	CLOSED
Y4	OPEN
Y5	CLOSED
Y6	CLOSED

I fully understand that parents may be disappointed that their children cannot come to school, but this cannot be avoided on this occasion.

Celebration Assembly

There was much to celebrate in the main hall as everyone gathered for the assembly at the end of Science Week. Some great 'science' shout outs and achievements at school and at home.

Staff Shout-out

Mrs Kavanagh ran the London Marathon last weekend in aid of the Dougie Mac Hospice – WOW what an achievement – we're so impressed!

Miss Gibson has been out getting muddy in a 10K Tough Mudder – Well Done Miss Gibson!

SCIENCE Week!

PHOTO GALLERY

George in Year 2 Mr. Harrison class has made a telescope for the science week.

We've had some super scientists in school today, thanks to all the children and parents for getting involved.

TALENTS GALLERY

Joanna (Y4) has attended an Acro Competition and did very well across really high standards of competition.

She also has been successful in being chosen to be a cast member for the Regent Theatre's production of Oliver! in October next year. Out of 300 children auditioned, 80 got picked for the show. It'll be a fantastic

opportunity and experience of a big production for Joanna. Well done!!!

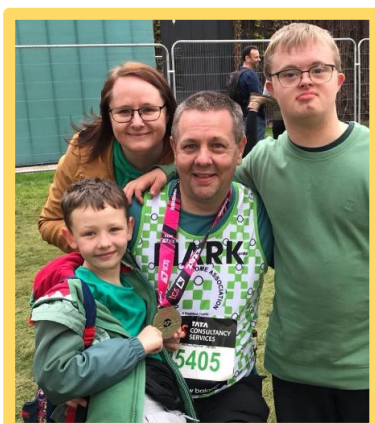

Oscar JEY3

Oscar is always trying to beat his personal best running time and challenges himself in running further and faster each time. This race was the Wilmslow running festival. Here's a picture of him on the finish line and with his sister on the podium.

Ava and Olivia Y3JE took part in a UK dance class championship competition last weekend.

Noah in Year 4SJH class travelled to London with his family to see his Dad run the London

Marathon in aid of the Down Syndrome Association. What an inspirational and fantastic experience for Noah.

Year 5 Cycling Training

Some of our Year 5 children have taken part in the second level of their cycle training this week. They have been out and about on the roads and have learnt how to:-

- Identify and respond to hazards
- Start and stop on-road journeys
- Maintain suitable riding positions
- Comply with signals, signs and road markings
- Communicate with other road users
- Negotiate junctions

Year 4 Able Writers

A group of Year 4 children attended an Able Writers workshop this week at Monks Copenhall.

Year 2 SATs

Year 2 pupils will begin their SATs assessments starting on Wednesday 3rd May. Assessments will be undertaken during that week and then w/b 15th May. It would be most helpful for our Y2 pupils to be in school for this period and to arrive on time.

Year 6 SATs

Year 6 will undertake their SATs in line with the National timetable between Tuesday 9th May and Friday 12th May. All pupils have worked very hard and this will be an opportunity for the children to shine and show what they have learnt. The Y6 timetable is set nationally and it is therefore imperative that pupils attend. Should your child be ill on any one of the days then please telephone the

National Walking Month

The National Walking Month is nearly here again! Walking helps us to improve our physical and mental health. We encourage everyone, especially over short trips, to swap their cars for a WALK. This would help to reduce vehicle emissions polluting the town and improve air quality.

National Walking Month 1st - 31st May. Walk to School Week is from the 15th - 19th May.

Go to the Living Street website for tips and resources designed to help you with the walking challenge.
